## Passing Of Dr. Hays Is Shock Embargo Jeopardizes 50,000 Chicks From Sonoma Hatchery Distribution Of The Fetters Estate Is Protested By Relatives

### REFUSAL OF UTAH TO RECEIVE CHICKS CAUSE OF ALARM

Fred Hansen's Plant Only Local Hatchery Seriously Affected by the Quarantine Regulations.

The stringent rules which were clamped down on cattlemen and on poultrymen following the state wide fear of foot and mouth disease, this week threatened to work a great hardship on local hatcherymen, who were preparing to ship thousands of baby chicks from Sonoma Valley to customers throughout California and other Western states. Fortunately many of the local hatcheries were booked up with orders from inter-state customers and after the arrangements for inspection and other safeguard had been made, were able to forward baby chicks as usual throughout California.

Other hatcherymen, including Fred J. Hansen, of the Sonoma Valley Hatchery, and several of the big Petaluma concerns were hatching on orders for the state of Utah, which persistently refused to raise the strict embargo put on all poultry shipments from California. Mr. Hansen was confronted with the serious problem of finding a market for the 50,000 baby chicks being hatched this week at his Sonoma plant for Utah customers and joined with Petaluma hatcheries in sending a representative direct to that state to intercede in the situation.

Hansen pointed out that no eggs were used in the Sonoma hatchery which came from farms having cattle, but were strictly from poultry ranches specializing on eggs; that all boxes for shipping chicks were new and were fumigated before shipment; that excelsior had taken the place of straw for packing purposes, and that the chicks were inspected and accompanied by the certificate of an accredited inspector before leaving here.

Mr. Hansen stated Wednesday that pending a clearing up of the epidemic, fear, arrangements could be made by local buyers to get chicks from his hatchery very reasonable. If, however, shipping regulations became normal by March 15th, the date of one of his biggest hatches, he would be able to fill outside orders at prices quoted early in the season. The 1924 hatches of the Sonoma Valley Hatchery were to be the biggest in the history of the local industry.

Gigerich & Callahan, of the G. & C. Poultry Farm and Fred Schell, of the Schellville Hatchery, report few orders from outside states, and so were not hurt by the embargo to any extent.

The leading Sonoma hatcheries are all accredited—that is, vouched for and standardized by the Sonoma County Farm Bureau—but despite their high standing, rulings were strictly enforced as to the handling and shipment of their chicks and they were subjected to all the red tape in effect. They co-operated cheerfully, however, with the authorities, and expressed themselves as believing that all precaution was highly desirable.

Th small ta asked for park purposes in Sonoma should carry by a big majority. Let us put it over big. Register now.

### Gets Wild and Wooly So Is Sent to Jail

Henry Peterson, a resident of Wood Valley, went on a rampage this week and after displaying firearms in a promiscuous manner and wrecking a fence and bridge, neighbors reported the man's actions to local officers. Deputy Sheriff Ryan and Constable Mohr investigated and found the entire neighborhood alarmed, but the wild and wooly Peterson was not in sight. Figuring that he had taken a trail to town, they motored down to the foot of the pathway and in a short time Peterson emerged and was taken into custody. Judge Small gave him a jail sentence, believing that the defendant's conduct was due to booze. Disturbing the peace was the charge against him.

### MRS. THOMAS DENNY INJURED IN COLLISION

Car Driven by Husband Runs Into Fatal Traffic Jam Near San Rafael Where One Woman Was Killed.

Yesterday morning near San Rafael the new Packard car of former Judge Thomas Denny and wife, collided with a Santa Rosa bus which figured in a fatal accident near San Rafael, and Mrs. Denny, thrown by the impact through the windshield of her car, was painfully injured. The car, able to proceed under its own power, conveyed Mrs. Denny to the home of relatives in San Rafael, where she received medical aid for a bad cut on the nose and lacerations of the knee. Her injuries, while painful, are not serious. The Judge was not hurt.

The traffic jam which caused the accident led to the death of a bus passenger from Santa Rosa, Mrs. Trowbridge, and the injury of several other people who got out of the bus to learn the extent of a collision with a car ahead. As they stood in the road a truck, laden with chicken crates, loomed out of the fog and struck down the passengers. In the midst of the excitement and tie-up the Dennys came along from Sonoma and struck the bus.

Great excitement prevailed as the injured were rushed to San Rafael for treatment.

### BASEBALL DANCE AT CONEY ISLAND

Golf may have its attractions for ball players, but watch them whirl tonight at Coney Island pavilion, where the big base ball dance given in honor of the Seals will be the event of the training season.

The belles and beaux of Sonoma Valley will be on hand to meet and welcome the team and many visitors are expected from nearby cities.

The Boyes Springs management has engaged the best music possible and the beautiful dancing surface of the pavilion will hold the crowd until a late hour. It looks like a big night tonight.

John Mohr and a party of friends motored to the Sciots' circus this week.

### Died In San Francisco Following Short Illness; Mourned By Community:

Dr. Wilfred B. Hays, for the past fourteen years a prominent practicing physician of Sonoma Valley, died after a brief illness at St. Francis Hospital, San Francisco, Wednesday night at 8 o'clock.

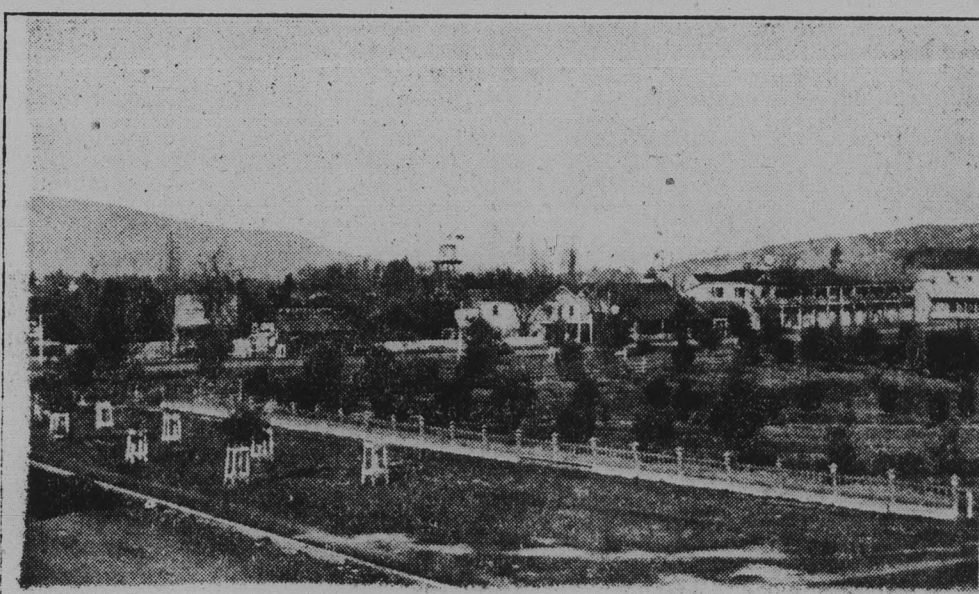

The physician was a graduate of Mt. Tamalpais Military Academy and the University of California. He studied medicine under some of the most eminent men of the medical profession. After his graduation he was attached to the city and county hospital of San Francisco where he gained much experience prior to locating here. He was a clever diagnostician and during his residence in Sonoma Valley was most successful as a general practitioner.

Dr. Hays was in addition to his medical skill, a very public spirited citizen and gave every worthy cause his moral and financial support. He was a true friend of education and at his death was secretary of the Sonoma Valley Union High School board of trustees. Intelligent, well informed and -erysipelas, which struck

Dr. A. M. Thomson was summoned, and on Tuesday of this week, ordered the patient removed to St. Francis Hospital, San Francisco. Accompanied by a trained nurse and Mrs. Hays the stricken doctor was conveyed to the hospital where his condition grew rapidly worse. The throat infection and -erysipelas, which struck

### Your Vote and the Plaza

THE CITY TRUSTEES OF SONOMA are submitting to the voters on April 14th a proposal that a 15 cent special tax be levied to beautify and improve the Plaza. The historic square, a gift from the founder of our city, General M. G. Vallejo, needs both beautification and improvement. A God-given environment has made its surroundings beautiful, the rolling hills to the north, the vine-clad valley to the east, the tree-silhouetted sky to the west, the broad approach to the south—but the Plaza itself,

THE PLAZA IN THE OLD DAYS

conspicuous because of the city built around it, is conspicuously lacking in the care and beauty which visitors expect to find in modern municipalities. "Why don't you fix up your park?" is one of the first questions asked by strangers.

Why don't we? Why haven't we? The answer has to do with finances, for parks and their up-keep cost money. The improvement of all property hinges on funds. So with the City of Sonoma and its eight acre square. A park fund must be created to provide the irrigation system, the labor and the materials for beautifying it. The present Board of City Trustees believes that the people of Sonoma desire this improvement and will go on record in favor of the 15 cent tax to defray the cost of giving Sonoma a well-kept park, with green lawns, recreation spots and flowers. This park fund, when so created, can be used for no other purpose than that for which the tax is voted, so the public will be safe in authorizing it at the election next month.

The Index-Tribune believes in the general trend of reduced taxation, but in this instance we are cutting off our nose to spite our face, so to speak, by not providing money to beautify Sonoma's park. The added impetus and interest in our city which would accrue from our renaissance would more than repay the taxpayer for the expenditure. In the event that the city treasury is enriched by bootleggers, perhaps other taxes could be cut down. Among the first, the business license tax, which is a burden on those of the community who are called upon constantly to contribute to everything of a public nature, and are victims of solicitors who never reach the more secluded taxpayers of our city.

Let us vote the Plaza tax and later get our other taxes reduced, if possible.

### Indian Medicine Man Departs to Escape Business

Since Thomas, Indian medicine man of Shasta, was induced to come to Bodega, in western Sonoma county to minister to the paralyzed child of Eli Smith, whom he is said to have cured, the old chief has created a furore in the country side about Bodega. One man, whom he is said to have healed, gave him a lot and will build him a home. The old chief dislikes to treat white folks, preferring to heal people of his race. Indians from far and near have walked miles to see him and be treated. They have thronged the place where in trance-like performance he has treated the sick while other Indians chanted in native tongue. So great have been the crowds that Thomas has returned to his haunts in Shasta, but has promised to return.

### BURRIS GIVE PARK TO KINGS COUNTY

Forty Acre Tract Along River Is Made Gift As a Memorial To Late Parents.

Frank M. Burris has returned from Kings County where he joined with his brothers there in presenting to the county a beautiful oak grove tract of 40 acres along Kings River as a memorial park to their parents, the late David and Julia Burris. The county was to buy a tract when the Burris brothers made the handsome gift which was accepted. The park has the only virgin oak trees and natural beauty to be found in the whole county and is an ideal recreation spot for the public.

In commenting on the gift, the Hanford press said:

There was applause in the assembly chamber of the county supervisors when J. S. Burris, on behalf of Burris brothers—Frank M. Burris, Henry Burris, Edward Burris, and himself—made his tender of the beautiful 40 acre oak grove tract, eligibly situated on Kings River, about nine miles northeast of Hanford, as a county park. Mr. Burris was brief in his offer of this princely donation to the county where the David Burris family have long been highly esteemed pioneers.

The district attorney was instructed to draw up a resolution accepting the donation on the part of Kings county and dedicating this magnificent tract to posterity for the pleasure and recreation of many generations as yet unborn.

The county surveyor was instructed to build a platform on a slightly knoll in Burris Memorial Grove, and to drill a well in a convenient location. It is expected that as soon as there is a new paving program in Kings county that the extension of the paved highway to the Burris grove will be ordered.

Mrs. Claude Johnson visited her friend, Mrs. H. F. Bates, at the hospital in San Francisco last Sunday. The patient continues to be in a very critical condition, but family and friends are hopeful that she may yet improve.

### CONTEST STARTED OVER PROPERTY OF EMMA FETTERS

Relatives In East Want to Refer Probate Termination Which Gives \$50,000 Estate to Husband.

The estate of the late Emma Feters valued at over \$50,000, which had been probated and ordered distributed to George Feters, her husband, is threatened with a legal battle now that an alleged sister and brothers of deceased have filed a contest. These Eastern relatives claim that they did not know previously that the estate was being probated and so now ask that decrees terminating probate and ordering distribution be set aside. The action started through Attorneys Grinstead of Sonoma, Barrett and Anderson of Santa Rosa and Stern & Stern of New York, and will be heard by Judge Thompson March 21st.

The contest came as a surprise to Sonoma Valley people, who never heard of the sisters and brothers of deceased. Emma Feters had been married to a San Francisco policeman before her marriage to George Feters and she claimed to have had a son. This heir, however, has never appeared as a claimant to her estate and the husband of the deceased resort owner infers that the son was a myth, or just some boy she called son, although he never knew of any child in her life.

The late Emma Feters and George Feters were partners in the big summer resort which they built and established here over 15 years ago. They purchased the former Halstead ranch and adjoining property and transformed unimproved acreage into the now well known Feters Hot Springs Hotel and baths, around which a thriving settlement has grown up. In addition to this property, Mr. and Mrs. Feters owned valuable San Francisco holdings in both the residence and business district, and the Hotel Chauvet at Glen Ellen.

The question of community property and partnership would enter into the legal battle should the case come to trial. Feters' attorneys declare the time has passed for any contest. Should the Eastern relatives be successful in establishing their claims as lawful heirs, they would be entitled to one-half of the estate, their being no children as issue of the Feters union, and deceased having died without a will.

The contestants in the present action are David Lippel of Newark, N. J., Annie Schiffman of Brooklyn, N. Y., Leon Lippel of New York City, and Aaron Lippel of Poland, also said to be brothers.

### SEALS AND ROSEBUDS CROSS BATS TOMORROW

Tomorrow is the first real game to be played at the Seals' training camp near El Verano. The Rosebuds will cross bats with the San Francisco ball team and Santa Rosa is sending down a big crowd of fans to back their team. The new field is expected to be packed and all the stars will be seen on the diamond.

Many San Franciscans are coming up for the game and for the dance at Coney Island tonight.

## EL VERANO NEWS

By ARCHIBALD McKIVER

The dance to be given tonight, Saturday, by the Boyes Springs Hotel management, is attracting the attention of Sonoma Valley and outside cities. The Coney Island pavilion has been engaged to accommodate the big crowd which will undoubtedly attend. Fine music has been engaged and a great welcome is planned for the stars of the Seals ball team. On Sunday, March 9th, the new base ball park at the golf club will be dedicated. The Santa Rosa Rosebuds, a fast aggregation of ball tossers, are the challengers and will oppose the crack professional Seals nine. The northern city promises to send its best. This game will draw a large crowd, who are anxious to see the Seals in real action against a team of Sonoma County, and as the visiting team is fast, we expect a real exhibition of lightning ball playing. A pitching battle between the opposing teams will feature this game. Don't fail to attend and see the Seals in a real workout.

Carl Weaver has returned from a visit with Sacramento relatives. Mr. Weaver, who recently underwent an operation, is feeling fine and his many friends are pleased that he is O. K. and has returned to El Verano.

Miss E. Kearney returned home on Monday evening after a pleasant visit with bay city relatives.

Peter Millitello went to Oakland, where he has accepted a position.

Edmond Debats, former El Verano songster, arrived from Oakland on the Saturday evening S. P. Bullet, looking like a French count. He spends Sunday at the Quadrio home.

Mr. and Mrs. W. J. Kroeger of San Francisco were visiting home folks Sunday.

J. Signorelli, wife and son were motor visitors to Oakland Sunday.

J. Harry Weise, former supervisor, and Ben Bechler, of Glen Ellen, have issued a challenge to Frank McManara and Frank Lettrel of Santa Rosa, for a championship horse shoe game. The contest will be staged at the Weise ranch. Weise and Bechler in the old days were crack players and they still claim the old eye. In get the good luck emblem over the peg. The game is being looked forward to and some real playing is anticipated when the four meet.

A. Nevaumont, L. Lamotte and Miss Rita Wyatt were motor visitors from San Francisco last week.

A Southern Pacific Company carpenter crew is sidetracked at the yards here, repairing property and making a number of improvements.

Jimmie O'Connell, the \$75,000 baseball star, who wintered at Boyes, has arrived in New York City. The famous player was congratulated on his

robust condition when he reached the big city fresh from the Valley of the Moon, the land of sunshine and hot mineral springs. O'Connell, being ill last year, did not show his real stuff, but this season will make a record that will surprise the base ball world. O'Connell's wife, accompanied him and will remain during the training season.

Mr. and Mrs. E. Pierson of San Francisco were El Verano visitors Sunday.

Attached to Sunday morning's S. P. train was the Scioto's circus which was enroute to Santa Rosa, playing at that city this week at the big six days carnival given under the auspices of the Santa Rosa lodge.

Mrs. S. Bogle has purchased thru the T. H. Baines real estate agency, two acres of land in western El Verano, on which she will build a home.

John Pluth, Sonoma restaurant man was recently in town looking up El Verano friends. John is looking well and has changed little in the past 20 years. Business in John's line is good, and the boys were glad to see him.

Paul Noonan, well known Santa Rosa butcher, who in the good old days resided in Glen Ellen, was here last week meeting many of his old time friends. He was accompanied by Manager Brennan, who is in charge of the Noonan stock yards in Santa Rosa.

C. C. Hall, brother of W. W. Hall, local rancher, after a several weeks' visit, has returned to the lumber camp in Oregon, where he is employed.

J. Steckmeyer spent several days enjoying an outing at the Woodworth Resort at St. Helena.

H. Damon, the coffee king, was a pleasure visitor to San Francisco on Sunday.

A pleasant evening was spent at the Sonoma Vista club house Saturday evening when a dance, entertainment and feast was given by the women of the club. The 23 pound turkey given this progressive club by Pat McDonnell, before leaving, was much enjoyed by the large assemblage.

Mr. and Mrs. Tom Farrell, "Speck" Farrell and Joe Danielli motored to San Rafael Sunday, taking in the theatre at that city.

The Sonoma Valley bus line's new time cards went into effect on March 1st. Extra stages will be running during vacation months. Stuermer & Valente, well known owners, bring many tourists to the valley during the summer months and the business on the line is continually growing.

Mr. and Mrs. George Fredrickson accompanied by Miss Edith Crane and other guests, were week end visitors to El Verano.

Mr. Thompson, who has been on a tour of California and a visit with relatives, has returned to Chicago.

Jack Millerick of Schellville, well known horesman, was renewing acquaintances in El Verano Sunday.

The first spring shop lifter was captured in a local store recently. A clerk who had the guilty one under surveillance, was in ambush and pounced on the looter, who was leaving with the goods. After cuffing him on the ears, and putting the fear of the law into his dome, he was allowed to go with a promise of jail if he pled his trade here again. Each year El Verano has these petty larceny offenders and in the future they will be dealt with severely.

Tom Corcoran is making many improvements around the Agua Caliente Springs bath house, getting ready for the vacation months. The inside of the house is being painted, as is also the sides of the swimming tank. The management expects an early season and many summer visitors.

Highway Commissioner Toy was a Sonoma Valley visitor Sunday, stopping at Agua Caliente Hotel to say hello to Tom Corcoran.

Mr. and Mrs. Fred Jensen moved their household goods to El Verano from San Francisco Monday and have taken up their residence at their El Verano home. Their many friends welcomed them to El Verano. Mr. Jensen has disposed of his business in San Francisco.

All the Seals have reported to the golf club training camp. Hal Rhyne, hold out, has not signed, and will not be with the Seals. The boys are proud of the ball grounds and are fast rounding into shape. Each day the games

are being watched by a large crowd, and by the looks of the athletes in action, the San Francisco ball team will again win the pennant.

Mr. and Mrs. A. B. Johnstone of San Francisco were visitors at the Minkel home during the week. The Johnstones recently had their touring car burned at Glen Ellen.

Mrs. Louise Hagan of Napa has been spending several days at the Steckmeyer home.

Mrs. William Minkel has returned after spending several weeks in San Francisco, the guest of her daughter, Mrs. A. B. Johnstone.

Miss Freda Krimpholtz, niece of the Koerners of Oak Grove Resort, who left California in 1900 with her parents for Germany, arrived in San Francisco Sunday on the Sunset Limited, and was met by Mrs. Koerner at (Continued on Page Seven)

# LEA WILL RETURN IN JUNE

Congressman C. F. Lea will return from Washington in June when congress adjourns, which will give him two months to prepare for the August primary election at which time he will be a candidate.

# EMERGENCY RULES AND REGULATIONS

For Control of Foot and Mouth Disease Revised to Date.

Whereas, the very infectious disease, known as the foot and mouth disease of livestock has appeared in the state of California, and whereas the governor of the state of California has proclaimed certain quarantined measures for the restriction of the disease and by authority vested in me as Director of Agriculture of the state of California, the following emergency quarantine measures are declared to be in force and effect from this date forward until modified by amendments of succeeding regulations:

Rules and directions for control of the foot and mouth disease in provisional quarantined areas, consisting of the following counties:  
Humboldt, Lake, Madera, Marin,

Mendocino, Merced, Monterey, Sacramento, San Benito, San Francisco, San Joaquin, San Mateo, Santa Clara, Santa Cruz, Sonoma, Stanislaus and Yolo.

1. Movement of livestock in provisional quarantined areas may be made under special permit after inspection by an official of the state or federal Departments of Agriculture.

2. Poultry in provisional quarantined areas may move without restriction.

3. Carcasses of animals slaughtered in provisional quarantined areas may be offered for sale only under special permit after ante-mortem inspection by a official of the state or federal Departments of Agriculture. Meats bearing state, federal, City of Oakland, City of Sacramento, City of San Francisco, City of San Jose or City of Los Angeles marks may be moved and sold without restriction.

4. The movement of hides and skins of domestic animals from provisional quarantined areas is prohibited except under permit of an official of the state or federal Departments of Agriculture.

5. All movement of manure off premises is prohibited in any quarantined area.

6. Officials of the state or federal Departments of Agriculture are authorized to destroy dogs or cats found on other than owner's premises except those on leash.

7. The shipment of all milk products from provisional quarantined areas into unquarantined areas is prohibited, except butter from factories where an official of the state or federal Departments of Agriculture is stationed at the expense of the manufacturer to supervise pasteurization and handling of raw materials; except, also, condensed and evaporated milk in hermetically sealed containers; and except milk powder and casein.

8. The manufacture of cheese in provisional quarantined areas, except under special permit from officials of the state or federal Departments of Agriculture, is prohibited.

9. Raw milk originating in provisional quarantined areas may be sold for human consumption in provisional quarantined areas under special permit from an official of the state or federal Departments of Agriculture.

10. Pasteurized milk or cream originating in any quarantined area may be sold as such, or in ice cream, for human consumption under special permit from an official of the state or federal Departments of Agriculture.

11. All milk or cream offered for sale at farms shall be delivered at the roadside to be collected by receivers. Receivers are prohibited in all cases from permitting their conveyances to enter private roads on dairy premises.

12. All cans used for transporting milk or products of milk within any quarantined area shall be thoroughly washed, sterilized and dried at the plant before returning to farms to be used again. Clean cans shall not be placed on floors, platforms or conveyances until such floors, platforms or conveyances have been thoroughly scrubbed and disinfected with steam or a strong solution of chloride of lime. All washings from trucks must be disinfected with the same solution. All cans used in transporting milk or products of milk, moving into and out of any quarantined areas, must be handled in the manner indicated above and under the constant supervision of an official of the state or federal Departments of Agriculture.

Livestock originating outside of any quarantined area may be moved to points within quarantined areas for immediate slaughter without restriction, provided they are not unloaded enroute within said quarantined area.

G. C. HECKE,  
Director of Agriculture,  
State of California.

Miss Meta Stofe and Mrs. William F. Clewe attended the funeral of Miss Hahmann at Santa Rosa. They brought back word of the magnificent floral offerings sent by the countless friends of the deceased, pioneer lady who is mourned throughout Sonoma county.

Mrs. Alice Church Dixon of San Francisco was up for the mask ball last week.

Al Warriner, government employee, visited his father and old friends here over the week end.

# WILL THE DRY LAWS BE CHANGED?

Will the dry laws be changed is a question called forth by the present anti-Volstead campaign which has been launched in Congress by 54 members of the House, pledged to support a bill permitting modification.

Whether or not the laws will be changed at this session is a question. That the Volstead Act should be amended there is no question. The dry laws should be changed at Washington by official edict, for the people of the United States have virtually changed them in fact and are not obeying them as court records and confiscation of property show. Prohibition officers made 64,523 arrests in 1923 and 60,619 arrests in 1922. How many violators, do you think, there were in the country when over 60,000 were actually caught in the net? Property seized and destroyed in 1923 was valued at \$3,243,795, while in 1922 \$296,860 was confiscated. How many millions of property were really in jeopardy, do you imagine?

Over \$10,000,000 is the burden to be fastened on the taxpayers of the country this year to enforce these laws and it is planned to spend \$13,850,322 more on a rum-running navy to police our coast lines.

Any law which necessitates such wholesale arrests and such vast sums of money to make stick, has either broken down or was in its origin unjust and un-American.

Since the American people are not naturally lawless and have never been known to withhold their moral support from any good law, commandment or statute, it is plain that the present arbitrary, autocratic arrangement to control the use of alcohol in

the United States is within itself defective and fanatical, and therefore a failure. Shall we continue to bolster up the tottering pillars reared on so shaky a foundation that it is threatening the whole structure of our government, or shall we change this super-structure so that it will stand up under any kind of assault and be supported and defended by the people?

We believe that prohibition has proven its fallacy and that it is time that our public servants and representatives took steps in the interest of national dignity as well as justice to modify it. Trying to "bust it through" as it now exists is a costly fiasco.

# SCHOOLS AND POLITICS SHOULD NOT MIX

(From Petaluma Argus)

Among the candidates for delegates to the Republican national convention pledged to support the candidacy of Senator Johnson are Albert P. Boynton and Will C. Wood. We think these two gentlemen display mighty poor judgment in this matter. For instance: Mr. Boynton is chairman of the Republican State Central Committee. Occupying that position, how can he align himself with either faction in the Republican party? Does he not display extremely bad taste, to say the least, in permitting himself to be drawn into the maelstrom? As to Will C. Wood, the fact that he has permitted the use of his name as a candidate for convention debate is just one more proof that he is quite as devoted to politics as to his official duties, and lends color to the allegation that he proposes to use the schools of this state to advance his political fortunes. The Republicans of California have a right to expect a higher regard for the

eternal fitness of things by the head of the governing body of the party, and the people of this State have the right to demand that their superintendent of public instruction shall not neglect his official duties to the extent that Mr. Wood will have to be neglectful in his capacity as candidate for, and possible delegate to, a Republican national convention.

# A THIRD PARTY?

BUNK!

The bugaboo of a third political party as an outcome of the oil scandal will not jazz up many voters, for they long ago realized that demarcation of saints and sinners is not accomplished by drawing political lines. Farmers are of all honest, drys are not all dry, wets are not all drunks, free traders are not all retainers, protectionists are not all money-grabbers. Responsibility of getting the right kind of representatives of any party is as always with the people, the people who register and vote. Inform yourselves as to a man's character and record before you elect him. If he falls into oil later, you have done your best, with the exception that you should stress honesty in education. If the embryo office holder is schooled in old fashioned honesty instead of in so many new-fangled curriculums, the people would have less grief.

Good whiskey to be gone in ten years? Not if they put on a few more "good" prohibition agents to guard warehouses.

The big high school show is scheduled for Friday evening, March 14th. Save the date.—adv.

# A NEW 4-PASSENGER COUPE

This car is Dodge Brothers response to a definite demand—

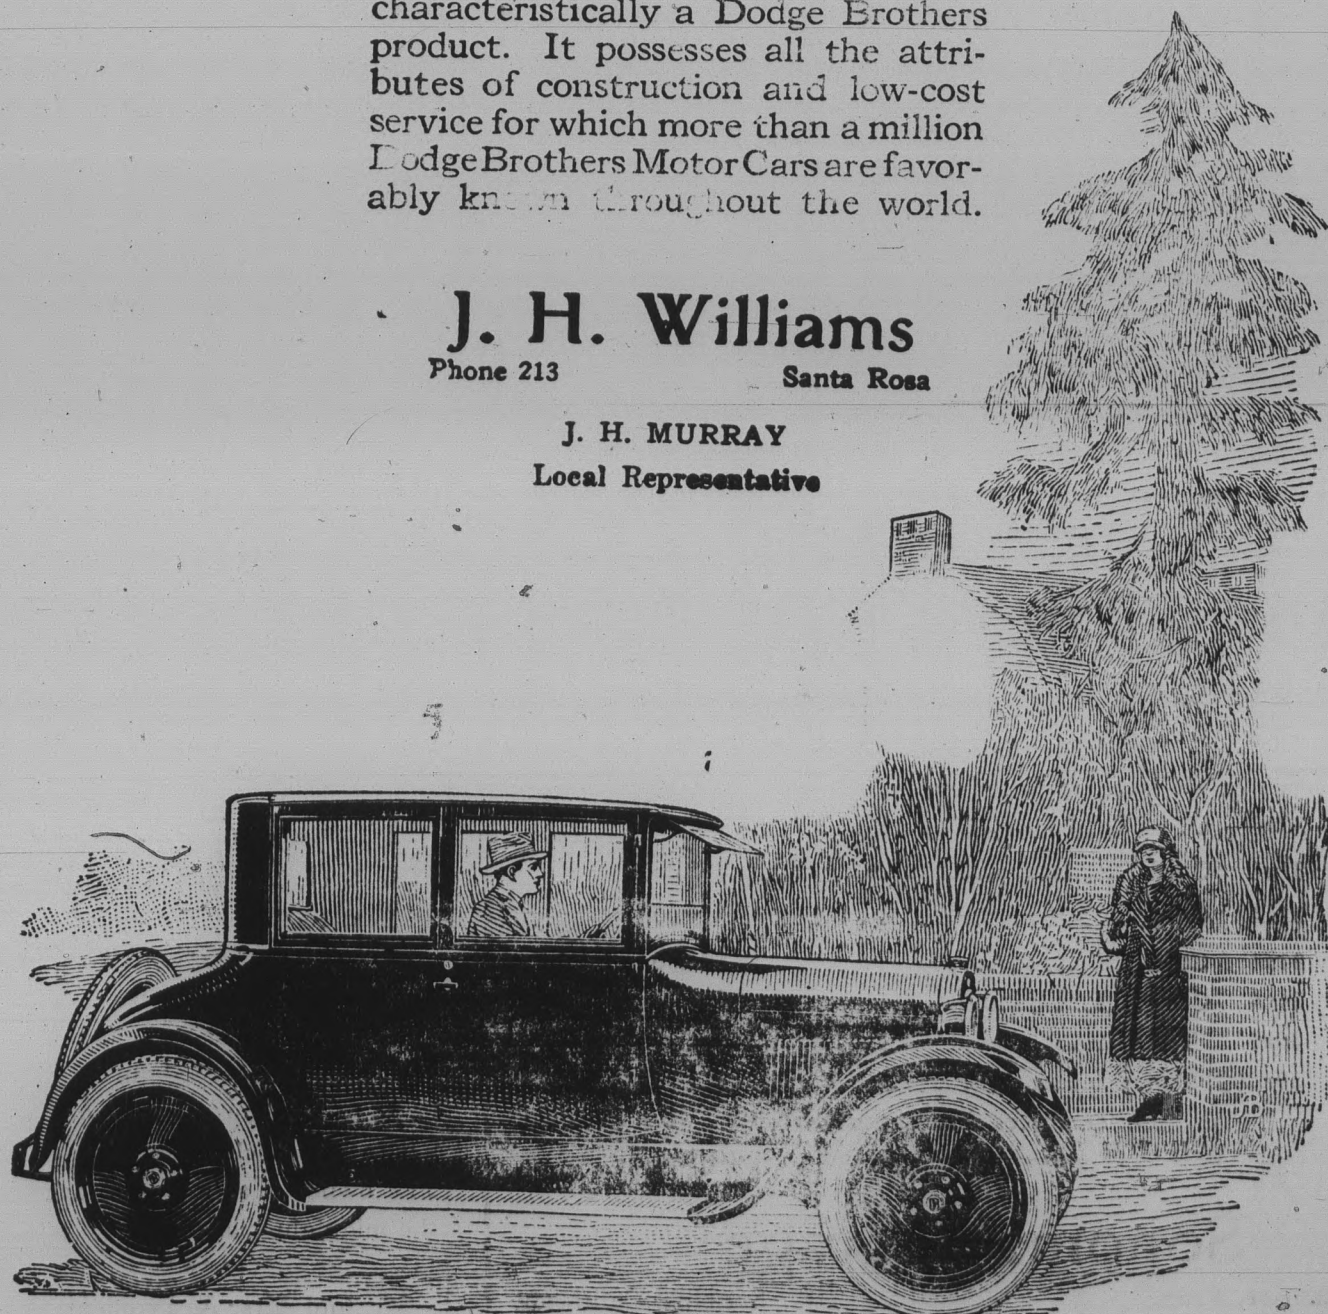

A high grade coupe of moderate weight and size that will seat four adult passengers in genuine comfort.

The body is an admirable example of fine coach building. Low, graceful, smartly upholstered and attractively finished in Dodge Brothers blue, it reflects dignity and distinction in every line.

Above all, the 4-passenger coupe is characteristically a Dodge Brothers product. It possesses all the attributes of construction and low-cost service for which more than a million Dodge Brothers Motor Cars are favorably known throughout the world.

Sundries

## THE ART EXHIBIT

The High School art exhibit was a wonderful display and should have enlisted wider interest. It was much appreciated and praised by all who viewed it.

Armand Franquelin, local high school graduate, has accepted a position with the Valley National Bank of Sonoma and has already assumed his new duties.

Miss Meta Stofen has remodeled her pretty home on Broadway. The residence has been made into two apartments. Miss Stofen will occupy the upper floor which she has equipped with an electric range.

A. Willoughby, formerly connected with the Healdsburg Enterprise, was in town this week soliciting advertising for a Sonoma county booster book.

L. S. Stevenson of Sonoma Vista contemplates removing to San Rafael in the near future.

## PASSING OF DOCTOR W. B. HAYS IS SHOCK

(Continued from Page One)

ed, social in his nature and always courteous, he leaves a large circle of friends who will miss his genial smile and kindly counsel. Seven years ago deceased was married to Mrs. Pauline McMullin, who is left to mourn him, in addition to several sisters and a brother.

The funeral will take place this morning (Saturday) at 10 o'clock from Masonic Temple, under the auspices of Sonoma Lodge No. 14, of which deceased was Past Master. He was also a member of the Odd Fellows and of the Petaluma Lodge of Elks.

Funeral arrangements are under the direction of Frank Blackburn, with internment to be in Petaluma, where the father of deceased, the late Rev. George W. Hays, is buried.

Dr. Hays was a native of Salina, Kansas, and aged 50 years and eight months. Surviving sisters are, the Misses Mabel, Mary, Bertha and Harriett Hays, and Mrs. George Glascock of Mexico. A brother, George Hays, resides at Stockton.

## TRIBUTE OF FLOWERY SCHOOL TO MRS. KING

Friday night of last week the Sonoma Valley Improvement Clubhouse was the scene of a farewell party and shower, given in honor of Mrs. W. R. King, the popular and efficient teacher of Flowery School, who has gone to El Dorado county to make her future home. It was a tribute which proved the high regard of the patrons and pupils of the school and proved the fine spirit of the people of that section of Sonoma Valley.

One hundred and thirty-five people were present and participated in the informal reception which preceded the presentation of a beautiful silver service to Mrs. King. In addition to this, the teacher was showered with many other lovely gifts. The evening terminated in dancing, and a banquet to which the guest of honor and all her friends sat down. G. Nimpfer furnished music throughout the evening.

Many and hearty were the toasts and good wishes for the success and happiness of the teacher in her new home.

Mrs. King has been teaching at Flowery School for several terms and goes now to join Mr. King at the ranch near Placerville they have recently acquired. Her service in the Sonoma Valley district has been much appreciated, both from the standpoint of pedagogy and character building, her good influence and gentle personality having called forth admiration and respect from everyone acquainted with her good work.

Mrs. King's successor will be Mrs. Sam Lewis of Sonoma, who will be the colleague of Miss Zolita Bates, the other teacher in Flowery District.

## NEW GUEST COTTAGE AT AGUA CALIENTE HOTEL

The handsome new guest cottage at Agua Caliente Springs Hotel is nearing completion and will be a much needed addition to the big hotel which expects to have a banner season this year. The new cottage contains 10 rooms and is being put up by E. Benson.

Last year accommodations were at a premium at the popular resort and mine host Corcoran turned away many guests during the height of the season. The new annex will be up to date in every particular.

## MIDNIGHT FIRE SUNDAY NIGHT

The J. H. Michaelsen home on Napa St. next to the E. T. Casson place was discovered on fire Sunday night about midnight. The Sonoma fire department promptly responded to the alarm and succeeded in confining the blaze to the house. The brooder house where Mr. Michaelsen slept was saved. The owner is at a loss to account for the midnight blaze.

Mr. and Mrs. A. Froment and family entertained at a delightful Lenten party Tuesday evening.

## FIREMEN'S BALL COMING EVENT OF THE SEASON

The announcement that the Sonoma Fire Department was to have another benefit dance this year has stirred widespread interest and tickets are going rapidly for the big event on March 15th.

"Help the boys who may help you" is a good slogan and one that has been demonstrated several times during the past year, when the town has been menaced by fires in the heart of the business and residence districts. New equipment is needed and also rubber coats and hats for our volunteers who in the past have ruined many good clothes rushing out to fires when chemicals, smoke and water completely ruined the clothing they wore.

Think of the siren's warning blast and what our fire ladders face at every call while you sit by and watch and depend upon them to save property and perhaps life. Buy your tickets for the benefit whether you are able to attend or not. It is the duty of the community to support its fire department and give the boys every assistance possible.

O'Rier's orchestra of San Francisco will furnish the music for the dance, so dance lovers will be assured of a fine time.

## AT THE HIPPODROME

The Henry King production of "The White Sister," starring Lillian Gish, which will be shown at the Hippodrome Theatre, Napa, on Thursday and Friday, March 13th and 14th, stands as one of the truly great motion pictures. It is said to be a perfect visualization of F. Marion Crawford's widely read story, told in all its dramatic intensity and filmed in Italy against the beautiful background described in the original.

The actual eruption of Mt. Vesuvius is shown. Molten lava, flowing down the side of the mountain is pictured, with the mouth of the crater belching forth its deadly fumes and fire. On top of this comes a flood, with an entire town being wiped out. "The White Sister" is a picture that nobody should miss.

## FETTERS POSTMASTER TO HAVE VACATION

Miss E. Ryus, postmaster of Feters Springs, will leave shortly for a vacation in Southern California. She expects to be away about a month and will enjoy a much needed rest at Eagle Rock, a suburb of Los Angeles. This is Miss Ryus' first vacation in five years and her conscientious attention to her duties has caused her to postpone the trip year after year.

Her brother and his wife will look after the mails during her absence in the south.

## RESCUES AUTO VICTIMS

Another Sonoma Valley man came to the rescue of victims of an auto accident Wednesday night, B. Montini of the Emparan ranch having encountered a wreck near Santa Rosa and aiding two young men, both of whom were pinned down by their car. After releasing the hand of one of the young fellows, he was able to get out and assist Montini in jacking up the car and getting a wheel off the neck of his companion. Both were taken to Santa Rosa by Montini for medical attention, and the grateful victims of the accident substantially rewarded the young Sonoma dairyman, whose timely arrival along the road probably saved at least one life.

## ATTENTION, FARM BUREAU MEMBERS

All are invited to meet at the corner of Napa Road and Broadway, 1 p. m., March 12th, to visit the Brown Valley Farm Center in Napa county, to get first hand information of benefits received in co-operating with your neighbors by joining the Farm Bureau.

Frank Wedekind, Director.  
W. J. Otten, Secretary.

## PRETTY GERALDINE EVANS BECOMES BRIDE

Miss Geraldine Evans, sister of Ralph Evans and former Sonoma high school student, was married to Wallace Wells at Sausalito Saturday. Miss Evans will be remembered as a striking blonde girl of charming personality and after leaving here graduated from the Ukiah high school. She later accepted a good position at Sausalito.

The papers of Petaluma, where the groom is well known, had this to say of the wedding:

Miss Geraldine Evans of Sausalito became the happy bride of Wallace D. Wells on last Saturday, the pretty ceremony being performed at the St. James Episcopal church, Sausalito, in the presence of many relatives and friends.

The bride is a very charming girl of Marin county and is very popular with the younger set. She has been extensively entertained by her many friends during her engagement.

She is a sister of the late Mr. Evans of Cornick & Evans, and has brothers in Santa Rosa, Stockton, and Sausalito, and a sister, Mrs. Donald McPeak, also of Sausalito, and other relatives.

The lucky groom is a son of Mr. and Mrs. J. W. Pool and brother of Mrs. James Walls. Wells is popular here and also at Martinez, where he is filling an excellent position with the Associated Oil Company. There the happy young people will reside on their return from their honeymoon.

After the ceremony the bridal couple were guests at a most elaborate dinner, served by the groom's mother, Mrs. J. W. Pool, and they were charmingly entertained and left with the best wishes of their relatives and friends. They will be wished a long and happy wedded life.

## ATTENDED RECITAL OF GREAT SINGER

Mesdames James Tate, Ralph Hotz, Edgar Clements and Miss Kate McDonnell were among those from Sonoma Valley who attended the John McCormick recital at the San Francisco auditorium last Sunday.

Mrs. Tate and Miss McDonnell motored down in the Tate car.

## KRAMER IMPROVING STORE AT BOYES

Among the recently rebuilt stores of Boyes Springs in that of N. Kramer, who continues to make improvements. The store is soon to have a stucco front and the interior is being nicely improved, also. A soda fountain department has been added and Mr. Kramer also carries drugs and drug sundries. See ad.

## UNDERGOES OPERATION

(From Santa Rosa Republican) Dr. Joseph H. Shaw and Dr. S. Boolsen of Sonoma performed an operation at the General Hospital this week on Mrs. S. A. Whipple of Kenwood. It was a capital operation on the stomach. The patient is recovering nicely from the anaesthetic and operation. Mrs. Whipple is a well known resident of Sonoma Valley.

## MET WITH SERIOUS ACCIDENT

Oliver Small, the well known railroad man of Glen Ellen, met with a serious accident Saturday when he fell from a tank on the N. W. P. right of way and sustained deep scalp wounds. He was rushed to the hospital at the State Home where doctors treated him for the injury. It was at first feared that his skull had been fractured. An X-ray was taken of the injury.

"Shaves with a kick" was the service given favored customers by Frank Thierkoff, Sonoma Valley barber, according to deputies of Sheriff John M. Boyes.

## NOTICE TO THE PUBLIC

The undersigned will not be responsible for any debts contracted in my name or without an order from me. Signed:

MRS. KATE LOMBARD, El Verano, Cal.

## STORNETTI RESCUED AUTO WRECK VICTIM

The timely arrival of Charles Stornetti, who owns the big dairy ranch at the Sonoma-Napa highway intersection, saved the life of B. F. Wheeler, a traveling salesman, who ran his Hupmobile into a deep ditch Tuesday evening and lay unconscious and imprisoned in the overturned car.

The Stornetti family saw the car speeding toward the cross roads from the direction of Napa and the next thing Mr. Stornetti was horrified to see the machine in the ditch. He ran to the scene of the accident, shook the closed car and called out, but no answer came from within. The wheels were still spinning on the overturned car, and not even the glass was broken. The man at the wheel, however, gave no outcry, and Mr. Stornetti believed him dead. He was unable to open the wrenched doors to rescue the victim of the accident, so was compelled to cut away the top. Passersby then stopped to assist and the man, still breathing but unconscious, was lifted from the machine.

Color came back into his face when he reached the air, and a slight cut on side of his head was revealed. After a vain attempt to get a doctor from Sonoma, three ladies enroute to Napa volunteered to take the injured man to the Francis hospital in that city.

Mr. Stornetti later learned that he had regained consciousness, and probably would recover. The man was a San Franciscan, about 50 years of age. The car he was driving was a new coupe.

## NEWTON DAL POGGETTO CANDIDATE FOR TRUSTEE

Newton Dal Poggetto, son of the late Charles Dal Poggetto, who served Sonoma as a councilman several years, is said to be a candidate for trustee to fill the vacancy caused by the expiration of the term of Sam Lewis.

Dal Poggetto is a Sonoma business man and overseas veteran.

## CARNIVAL'S BABY SHOW IS TO BE BEAUTY SHOW

The May Day carnival at Boyes Springs this year will have many attractions. Among them the Baby Show, which is not to be in the nature of a health conference, but will feature pretty as well as healthy babies. The kiddies will not be stripped to find perfect specimens, but will be judged on their general appearance, good health, of course, being a necessary adjunct to beauty, for sparkling eyes and nice complexions always count. The kiddies will come all dressed in their best bib and tucker, and the public will have a chance to see what Valley of the Moon residents are really like.

The real carnival stunts are to be in charge of Ham Chambers, the well known Boyes Springs concessions man. Mr. Chambers is well and favorably known throughout the state and his shows will be clean cut, as well as entertaining. Everything will be conducted in a high class manner, and a big show is to be put on.

The publicity committee announces that the three candidates for queen are all interesting their friends in the contest to preside over the festival. Misses Muriel Ricks, Gladys Fox and Claire Farrell are the fair Sonoma Valley young ladies out to win the crown.

All the school districts will vote to elect the May Day Queen, which is the juvenile honor of the carnival.

## HIGHWAY DANCE

The Sonoma Valley Improvement Club is the first organization to celebrate the building of the new state highway through Sonoma Valley. The auditorium of the theatre at Fetters Springs will be the scene of a big dance and jollification on Saturday night, March 29th. The ladies will serve good "eats" and music for the fox trots, waltzes, etc., will be furnished by Les Perkins' orchestra.

## Are You The Man?

Are you the man who has planned for the last year or two to build a home and then said to himself, "I'll wait another year. Prices may come down."

Do you know that labor represents about 90 per cent of building costs? Before we can have lower building prices we must have lower wages. There is nothing to indicate that wages will be reduced to any extent for the next few years! Consequently, the chances are nine to one you'll never save a penny by waiting. If you want a home of your own, the time to get it is now! Let us show you plans, give you estimates, tell you about materials, etc.

## PAYS TO ADVERTISE

BY RADIO, TOO

In the past, practically every type of literature and advertising medium imaginable has been used in attracting tourists to various sections of the

country, but one of the most novel to be used in recent years is one inaugurated by the Eureka Chamber of Commerce when in a radio program broadcasted from KLX, the Oakland Tribune station at Oakland, California

boldt county and Eureka were expounded. Co-operating with the management of the radio station the Eureka Chamber of Commerce gave an excellent musical program. In the middle of this program R. J. Wade, secretary of the Eureka Chamber of Commerce gave an address in which he discussed the touring and other possibilities of Humboldt county.

During his talk Wade pointed out that Humboldt county is one of the few remaining points in the state of California which has been left unmolested in many sections by civilization with the result that numerous ideal fishing, hunting and camping sites are still available. Special stress was laid upon the scenic, hunting and fishing possibilities of the Klamath River section. Road conditions were discussed and the potential tourist who has picked out this section of the country for his vacation this year was given an opportunity to know what he may expect to see and at what time of the year his own particular plans may be carried out with the least inconvenience.

KLX has the capacity of reaching one million receiving sets and it is the plan of the Eureka Chamber of Commerce in case this initial program is a success to give this touring information from time to time to keep the vacationist and campers informed on conditions in this section of the state.

## LODI GRAPE GROWERS GET DAMAGE CLAIMS

Hundreds of checks ranging from 52 cents to \$5000 are being received in Lodi by grape growers from railroads, representing one-half of the amounts of damage claims filed during 1922 when cars of grapes were delayed en route to the Eastern markets and spoiled. The railroads claimed the strikers caused the delays and the growers agreed to settle on a 50 per cent cut in claims. It is conservatively estimated that half a million dollars will be received by Lodi growers.

The talented Verdier sisters of El Verano who are among the new members of the local parlor of Native Daughters of the Golden West, were much complimented on their fancy dances and songs given at the recent high jinks.

The infant son of Mr. and Mrs. Harold McPhedraim of Agua Caliente passed away at a Santa Rosa hospital last week.

## PACIFIC GAS AND ELECTRIC COMPANY REDUCES RATES

New electric rates involving a material reduction in charges made for lighting, heating and cooking, general power, and agricultural power, to territories supplied by the California Telephone and Light Company have been approved by the Railroad Commission and will become effective on or about April 1st.

After a series of conferences and negotiations between J. J. Deuel, manager of the law and utilities department of the California Farm Bureau Federation and the Pacific Gas and Electric Company, new schedules were prepared and filed with the commission which will bring substantial reductions and more liberal terms for the territory than were formerly charged.

The heating and cooking schedule has so been arranged that a customer can now take this rate on the accumulated yearly minimum basis instead of the straight monthly basis as heretofore. This new schedule will allow a customer to absorb the minimum charge accumulated during the months of small consumption during the time of greater consumption.

The general power schedule now contains the maximum demand basis of billing together with an option whereby charges may be made accumulative if the usage of power is seasonal. This, it is stated, will aid the consumers who only use power during certain seasons of the year.

Single phase motor installations from one to five horse power may now be placed on the heating and cooking schedule, and the charge for service will be made in conjunction with the charges for heating and cooking appliances, thus eliminating a separate meter and separate minimum charge for the power. At the option of the consumer five horse power or less in single phase motors can take the regular lighting schedule, thereby eliminating the regular power minimum.

A new schedule has been provided for agricultural power. Heretofore, this section has not had an agricultural power schedule.

It is stated by representatives of the Pacific Gas and Electric Company, which company has recently taken over the California Telephone & Light Company property, that a survey of the territory indicates potential possibilities for power development. In an expectancy of increased demands due to lower charges, they anticipate increased business to warrant lost revenues due to the reduction.

## HERE IS YOUR OPPORTUNITY

"Men and women of California, if you wish your community properly portrayed on the miniatures of California, now, being constructed, send photographs, post cards and descriptive articles pertinent to your home town and locality."

This message is being broadcasted today to all sections of the state by William A. d'Egilbert, director of exhibits of the California Development Association, under whose auspices these greatest of miniatures in the history of the world are being modeled.

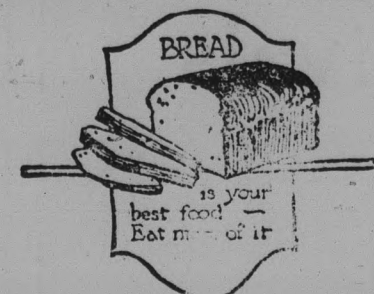

"Within the course of a few months the four corners of the earth will acclaim the miniatures of California as among the marvels of the age; world fame is their destiny as nothing in the history of our civilization in this kind of art can compare with them," states d'Egilbert.

"The miniatures are to be constructed on the massive dimensions of 600 feet long and 18 feet wide and will cost in the neighborhood of \$100,000 each. The first to be finished will be unveiled in the nave of the Ferry Building, San Francisco, early this fall, and the second in the southern part of the state later in the year. The cost of these miniatures is being met by county funds on a pro rata basis.

"The rough work of the first miniature is now completed, necessitating only the work of the modelling geniuses in reproducing as exact replicas of the individual localities of the state. Only those communities whose citizens assist the artists in charge of the work by sending photographs, postal cards, descriptive articles on their

county or anything that will lend atmosphere and give facts, can be properly portrayed.

"Again, if you have the interest of your community at heart, send, and address all communications with data to Director of Exhibits, California Development Association, Ferry Building, San Francisco.

After a Trial You Will Agree the Above is Especially True of

## EL VERANO NEWS

(Continued from Page Two)

San Francisco. Miss Krimpholz, who is a native daughter, left this state when two years old and has since resided in Germany. She is a beautiful young lady of the brunette type, and is glad to be back in her native state, having been for 22 years in a foreign country. In honor of her arrival a dinner was given at Oak Grove resort many guests being present. Mrs. Koerner and Miss Krimpholz motored up from San Francisco, accompanied by George Cunard.

Mrs. Fred Venton has been spending a few days here with her folks. Mrs. Venton lives in Oakland.

Mr. and Mrs. Zerga of San Francisco, and Mrs. Ganiats of Oakland are guests of Mrs. LaFranchi at the Helvetia Hotel.

Rain Saturday night in Sonoma Valley and throughout the state brought joy to the farmers and livestock raisers. El Verano's rain gauge measured .20 inches, which will help a great deal, but more rain is needed as the rainfall for the season is still below normal.

Mrs. C. Danieli, Mr. and Mrs. Forni of Agua Caliente, Tony Boccola, E. Eraldi of Sonoma, and Emmet Danieli were motor visitors Tuesday to Santa Rosa, transacting business.

## RADIO ABOARD

UKIAH TRAIN

Radio is fast becoming a popular form of entertainment on board passenger trains.

This was illustrated March 3rd when a group of prominent railroad officials and shippers who left San Francisco to attend the California Pear Growers' convention at Ukiah, carried a radio receiving set aboard their special car and listened in to music broadcast from stations thousands of miles away.

A loop aerial receiving set of the sleeper monotron type was used for the novel experiment which proved a success. It was installed on the train by A. S. Lindstrom and F. S. Travis radio engineers of San Francisco.

C. J. McDonald, superintendent of perishable freight for the Southern Pacific Company, was in charge of the party and stated that the radio music came in clear and loud.

The fruit men were astonished at the possibilities of radio and are considering it as a means of broadcasting market prices to farmers and members of their association.

Among the nice request numbers played for this party was selections from Victor Herbert's "Serenade."

## FRUIT TREES

## STATE FIRE MARSHAL OFFERS HIS SERVICES

In a letter to W. B. Cause, chief deputy state fire marshal, State Fire Marshal Jay W. Stevens proffers his services any time a local fire menace or situation develops which calls for co-operation. Here is the letter:

"William B. Cause,  
"Chief Deputy State Fire Marshal.  
"Boyes Springs, Cal.

"My Dear Marshal:

"Let me express my appreciation of your co-operation in connection with our state fire marshal meeting held in San Francisco February 27th. The fact that you were in attendance shows conclusively your sincere interest in the work and means for its future success.

"I want you to feel free to call upon me any time that I may be of service in any possible manner. As I stated at the meeting, this is an opportunity to raise the standard of the position of fire chief to proper height. Let us do our part to cause the people of the country to say the chiefs of California are in a class by themselves.

"With sincere best wishes, I am,  
"Very truly yours,  
"JAY W. STEVENS,  
"State Fire Marshal."

## R. G. LICHTENBERG IS RE-ELECTED DIRECTOR

At the annual stockholders meeting of the Golden Gate Ferry Company in the office of the company in San Francisco, Monday, March 3rd, the old board of directors were re-elected, consisting of Aven J. Hanford, Harry E. Speas, Oscar H. Klatt, R. G. Lichtenberg, W. A. Gentry, J. B. Foppiano and Charles G. Clyne.

Reports were made by the officers showing progress and development made from the time the company began operations in May, 1922.

It was announced by the management that they were preparing for the biggest year in traffic that had ever been experienced by the company and that every arrangement was being made to take care of the business.

It was further stated that the summer schedule would be effective April 1st, when practically continuous service will be inaugurated; the first boat leaving Sausalito at 4:30 a. m., and from San Francisco at 5 a. m. The last boat will leave Sausalito at 12:30 and from San Francisco at 1 a. m.

As a tribute to the management of Golden Gate Ferry Company at the conclusion of the meeting a motion was unanimously passed giving a vote of confidence to the board of directors which had served the company practically since it inaugurated service.

## CALIFORNIA GLOVE CO. DIRECTORATE CHANGES

(From Napa Register)

R. Raymond, who has been at the head of the California Glove Company ever since its incorporation, many years ago, has resigned as president of the Board of Directors and at the same time Ralph Raymond, his younger son, tendered his resignation as assistant secretary.

The Board of Directors was then re-organized by the election of the following:

President, F. W. Williams, Napa.  
Vice president, E. H. Raymond, Napa.  
Henry Brown, Napa.  
Barnby Conrad, San Francisco.  
F. B. Tupper, San Francisco.

Both R. Raymond and Ralph Raymond retain their interests in the corporation, but neither will participate actively in its business management in the future.

It is understood that Ralph Raymond and his family are planning to move from Napa, although their future plans are not completely settled as yet.

In speaking of the future of the California Glove Company E. H. Raymond stated that business conditions were good and that every indication pointed to a prosperous and successful year ahead.

Miss Florence Murphy witnessed the "Merchant of Venice" with David Warfield as "Shylock," at the Curran Theatre Friday night of last week.

## UNIVERSITY EXTENSION CLASS IN SANTA ROSA

A class for instruction in "Methods of Teaching English to the Foreign Born" will be organized in Santa Rosa commencing about March 15th, if a sufficient number of people are interested to form a class.

This course will be under the University of California Extension Service and will carry two units of university credit which may be applied as two of the six units required for the special Americanization credential. Miss Ethel Swain, university extension lecturer, will be the instructor. Miss Swain is giving this course throughout the state and has a wide experience with both foreign born adults and children making the course of interest to teachers of both the above groups.

The class will meet once a week for about a two hour period, the time and place to be announced later. Anyone interested should immediately notify Miss Myra Green, county director of Americanization, office of the County Superintendent of Schools.

Register at once, and vote yes for the 15c tax for Plaza beautification.

## LENTEN SERVICES

Lent was ushered in Wednesday with mass at 7:30 in St. Francis church.

Rev. J. F. Byrne announces Lenten services at follows:

Mass daily at 7:30 a. m.

Devotions every Wednesday and Friday at 8 p. m.

## DR. HATCH DIES

Dr. Frederick W. Hatch, former general superintendent of state hospitals under the old state commission of lunacy, and one of the foremost alienists in California, is dead.

He had been in poor health for two years and for the past few weeks he had been bedfast, following a collapse he suffered while returning from his office.

Dr. Hatch, who was 74 years of age had served the state for about 45 years beginning as assistant superintendent of the Napa State Hospital in 1879. After 10 years in this position he was superintendent of the Agnews State Hospital, a position he held until appointed superintendent of state hospitals in 1897.

## What You

(together with 700,000 other customers)

## Pay Labor

ABRAHAM LINCOLN said, "Labor creates." He was right. But it does not continue to create unless it is COMPENSATED.

You, and 700,000 other customers of the P G and E demand service.

About 8,500 employees are maintained to render it.

Each time you pay a dollar to this Company for electricity, gas, etc., YOU reward labor with more than 26 cents.

Here are the interesting FACTS:

The payroll of the P G and E is about \$16,000,000.00 annually. In addition, much of the moneys paid for fuel, oil, materials and supplies also go to labor.

Remember: Labor is an important item in every bill you pay for "Pacific Service."

## MRS. LAURENZI IS CALLED TO ETERNITY

Beloved Mother Dies In San Francisco After Three Months' Illness; Funeral Here Monday.

Mrs. Catherine Laurenzi, an old resident of Sonoma, who had been making her home in San Francisco the last few years, died in that city last week after a three months' illness. Heart failure and complications caused her death. During the months preceding her passing away, she was tenderly cared for by her daughters, Misses Catherine and Annie Laurenzi. Their devotion was all that dutiful children could bestow and will always be a comfort to them. Besides the daughters, a husband, P. Laurenzi, of Sonoma, and two sons, Peter and Caesar Laurenzi, are left to mourn deceased. Bereaved sisters and brothers are Mrs. C. Roladelle, Steven and Joseph Laurenzi of Angels Camp. The late Mrs. Angela Canepa of Petaluma was also a sister, while in the old country one sister was a nun.

The late Mrs. Laurenzi was a good friend and neighbor and many kindly deeds are recalled by those near to the family circle, who valued her friendship highly.

She was a native of Italy, aged 67 years.

The funeral took place here Monday from St. Francis church and was largely attended. There were many beautiful flowers.

## NOTICE TO THE PUBLIC

Having purchased the grocery store of H. Hocknall, the undersigned will not be responsible for any debts contracted by above after March 5, 1924. Any person having claims against said property will present bill to W. W. Carter, real estate office, Sonoma California. Signed:

OTTO CONRAD.  
First publication March 8, 1924.

A suit to collect \$2720 involved in the sale of ten carloads of grapes was started in the Superior Court Monday by Jerry Poncia of Nevada, grape buyer, against Sam Sebastiani, Sonoma grape grower.

## CARD OF THANKS

We desire to express our heartfelt thanks and appreciation for the wealth of flowers and words of sympathy which came from our friends in our late bereavement, the loss of our beloved wife and mother.

P. Laurenzi,  
Peter Laurenzi and Family,  
Ceasar Laurenzi,  
Misses Annie and Catherine  
Laurenzi.

## DANCING CLASS

Alfreda Smith has opened a dancing class for children at FETERS THEATRE every Saturday, 2 to 4 p. m. Ball Room, Stage and Fancy Dancing Taught \$2.00 per month in class \$1.00 per hour private lessons

No. 13893  
IN THE SUPERIOR COURT  
State of California, In and For the  
County of Sonoma.

JAMES M. INTOSH, Plaintiff, vs.  
MARGARET MCINTOSH, Defendant.  
Action was taken in the Superior Court of the State of California, in and for the County of Sonoma, and the complaint filed in the office of the County Clerk of said County of Sonoma

W. F. COWAN,  
Attorney for Plaintiff.  
The People of the State of California send greetings to Margaret McIntosh, Defendant.

You are hereby directed to appear, and answer the complaint in an action entitled as above, brought against you in the Superior Court of the State of California, in and for the County of Sonoma, within ten days after the service on you of this Summons—if serve within this County; or within thirty days if served elsewhere. And you are hereby notified that unless you appear and answer as above required, the said plaintiff will take judgment for any money or damages demanded in the complaint, as arising upon contract, or plaintiff will apply to the Court for any other relief demanded in this complaint.

Given under my hand and the seal of the said Superior Court this 28th day of December, 1923.

W. W. FELT, JR.,  
County Clerk.  
By T. Zimmerman, Deputy Clerk.

## HERMAN'S SONS DANCE TONIGHT

The first annual dance of the Sonoma Lodge of Herman's Sons will be given at Union Hall tonight. Many prominent residents of the valley belong to the Order and extend a cordial welcome to all dance lovers to attend the party. Good music and refreshments will be provided and a good time is assured.
